LELIEVRE PARIS LAUNCHES A NEW FABRIC COLLECTION INSPIRED BY ITALIAN PALAZZI...

A night in a venetian palace... Time stands still, heavy doors open to reveal proud, straight columns of grey marble, bronze frescoes with white stucco ornament, and terrazzo studded with precious stones.

Beautiful, matt textures without ostentation, decorated in places with relief, sometimes with luxurious designs incrustated with gold, frescoes patinated by time, colours sometimes powdery and faded or simmering with mother of pearl.

The grandeur of volume, sophistication of texture with precious colours. Collection 24 offers nine fire resistant products created for the interior and more destined for hospitality. The whole range is washable and offers strong resistance to pilling and wear for upholstery.
